

Art and other online site links for Betsy Rhodes E.S. families

Dear Betsy Rhodes E.S. families,

I hope you and your family are well, healthy and safe. . If you happen to have internet access, you may be interested in previewing the following links for you and your children to read, watch, learn, and make visual art at home using the Internet. I have also included a few general education sites. Some also are great for our Travel around the World theme we have been working on this year, so please explore Egypt and Nigeria.

Sincerely your art teacher,
Colleen Cook (Ms. Cook)
