Title I Designation for 2018-2019 Information & Allocation Announcement

Happy new year to everyone in our community! We hope you've had a wonderful start to the year.

We are excited to announce that Betsy Rhodes Elementary School has been designated as a Title I school for the 2018-2019 school year. This will provide additional supports for our school and we are enthusiastic about this designation. We have received a Title I budget allocation of \$61,410.00 for the coming year. Throughout the next few weeks, we will be conducting budget planning meetings for the community.

We invite you to attend our first budget planning discussion within the School Organizational Team meeting this Thursday, January 18th, at 4:15 p.m. in our training portable near the large grass field at the back of the school. We will share initial Title I information at this meeting. Throughout the remainder of the school year, we will be sharing additional information as well.

We hope to see you on Thursday! Please note that an additional budget planning meeting will be held in the beginning of February to share the information and conduct the additional planning and discussion. We will send a notice about that meeting as well.

Please contact the school office at 702-799-3450 if you have any questions.
