

Canvas Getting Started for Students

The Canvas Learning Management System (LMS) is a digital classroom for teachers, students, and parents. Teachers are able to add content and communicate as well as collect assignments.

Sign-in at clever.ccsd.net

- Students will log in using their Active Directory username and password.
 - The username is the Google login (e.g., Steve.12345).
- New Students
 - Prior to logging in, new students will need to reset their password by visiting myaccount.ccsd.net.
- Returning Students
 - If a student cannot remember their password they may use the self-service password reset tool on myaccount.ccsd.net.
- Students can also contact their school/teacher for password assistance.
- If a student is unable to resolve their login issue through myaccount.ccsd.net or by contacting their school/teacher, further assistance may be obtained by contacting the User Support Services Department Parent and Student Help Desk at 702-799-7678.

Orientation Resources to Canvas

- Infographic: Ten Things to Know when Getting Started in Canvas. <https://bit.ly/canvasstudent10>
- Passport to Canvas: Self-paced course found from the Help button in the global navigation bar.

The screenshot shows a dark navigation bar on the left with icons for 'Calendar', 'Inbox', and 'Help'. To the right, the text 'Little lost? Try here first!' is followed by 'Search the Canvas Guides' and 'Find answers to common questions'. Below this is the 'OTHER RESOURCES' section, which contains a link for 'CCSD's Canvas Student Orientation' with the subtext 'Learn about being a student in Canvas!'. This link is circled in red.
